support (one-year average)

What Our Customers Say

"Able to transition, without drama, between chat, email and phone! Most IT companies are so phone-averse, it's not worth the trouble. With SherWeb, I get helpful and competent service regardless of the platform. What a refreshing difference!"

Chris Parker, Boise, Idaho

GD-ITConsulting Clients Get the Best Deal

We match Microsoft prices, lower your risk and provide better service. We'll guide you through a free 3-step transfer process that includes:

- ✓ Same Yearly Prices as Microsoft

Easy-to-Use Portal to Manage Your Cloud Services

Manage all your Office 365 licensing from a single customer portal that integrates completely with Office 365. This makes administration and billing processes a lot easier. Get all your Microsoft Cloud subscriptions and support from one place.

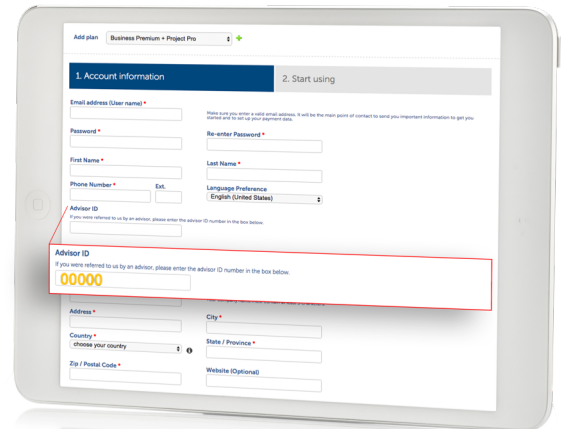

And more...

How to Get Started

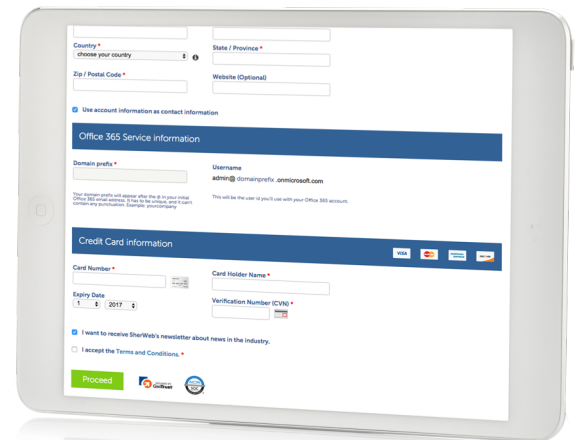

1. Visit sherweb.com/office-365
2. Click **Buy** on the plan you need
3. Your **GD-ITConsulting** Advisor ID (**51193**) must appear in the contact information to enable your **GD-ITConsulting** benefits (see image on the right)

If you need advice on cloud solutions, contact a **GD-ITConsulting** or SherWeb representative.

If You Already Have an Office 365 Tenant:

1. You'll see a screen with the following headline:
Accept Microsoft Cloud Solution Provider (CSP) Invitation.
Check the box next to it.
2. Click on **Authorize CSP** to accept the invitation.
3. You'll be given a link to **Authorize SherWeb Inc. to be Your Microsoft Cloud Solution Provider.** (You have to sign in as a tenant administrator or a delegated administrator to authorize the subscription transfer).
